Thought – “Why do I believe in God”

Why do I believe in God?...

Is it because I look at the world around me; at all the different plants and animals, at the stars in the sky and the fish in the sea, and that I can't believe it all happened by chance?

Well, yes that's a part of it.

Is it because Gods word, the Bible, is a reliable book? Many dates and places recorded in it long ago have been found to be historically accurate by archaeological findings and modern scientific methods, and many prophecies have been fulfilled.

Well, yes that's also a part of it.

But most of all, I believe in God because I have experienced him. I don't mean I have seen a blinding light or heard a booming voice, but in my everyday life when I turn to him he is there.

I know that God is real because he gives me a sense of peace and contentment that nothing in this world has ever been able to.

I know God is real because he has changed me into a better person, and continues to do so, like no one else has been able to.

I know God is real because he has helped me to achieve physically and mentally beyond what I know I am able to.

“For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.”

Ephesians 2:10

In Focus – “Sunday Lunch”

Every Sunday after our morning service, many of us enjoy lunch together. This takes place in our Sunday school room or at different peoples homes.

Originally this started as ‘student lunch’ with the intention of making sure students at our church got at least one good meal in the week. However, it is such a good opportunity to get to know each other that more and more people have become involved. Nowadays there is often about thirty of us eating together. It is great time to develop friendships and to encourage each other in our Christian lives. Of course, we

What's On? (At Henrietta St. unless otherwise stated)

also get to enjoy some good nosh!
