Thought – “How much are you worth?”

What do you value? Do you value your car, your house, your friends, your life? How do you know what each of them is worth? If I told you that you were valued by God, what would you think? Seriously, God treasures you so much that he allowed his son Jesus to die so that each one of us may be saved from death! Get your head round that if you can.

Jesus told us that the things we should value are not the things this world has to offer; cars, houses, clothes and status that most people seem to desire these days. The things that we are supposed to value are things in heaven – our relationship with God and Jesus.

Once we realise that God values us so much, our response should be to get to know him better and find out what pleases him. God promises that we can live with him forever, and he is happy to give this gift to everyone who decides to follow him. For a Christian, this is something to get excited about, a promise to treasure and a promise we want to share with everyone we meet.

If you want to hear more on this, please come along to the Bethel on Sunday June 27th at 6:00 pm when we will be taking a closer look at what God has to offer compared to the world. If you are not able to make it please remember this...
